

13th March 2022

Year 5 and 6 Whitstone Experience

Dear Parent/Carer

At Whitstone School we are proud of our fantastic teachers and the quality of lessons they deliver every single day to our students. As such, we would like to invite you and your child to a Design and Technology experience on Thursday 24th March 2022.

You and your child will be able to sign up to one of four Easter themed activities.

ICT

This will provide students with an insight into one of the units that we cover in year 7, where the students get to design and make their own PacMan game.

Art

Students will partake in an Easter themed drawing workshop, utilising a variety of specialist art equipment.

DT

Students will be making Easter themed keyrings. These will be made out of plywood which can then be decorated. Students will be learning some basic cutting, sanding and drilling skills within the workshop.

Catering

Students will have the opportunity to decorate Easter themed biscuits. They will learn different piping skills and the effects different nozzles and movements give.

Places are limited to 13 per session and will be allocated on a first come first served basis. To secure a place for your child and ONE adult please sign up using the link below

<https://forms.gle/jgSCdUD6BJerj996A>

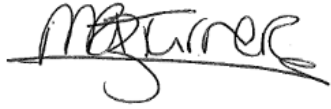

Timings

- Please arrive between 3pm and 3:15pm where refreshments will be available
- Whitstone Experience session will finish at 4:15pm

If you have any questions, please do not hesitate to contact the school.

I do hope you will be able to take part in our Whitstone Experience and we look forward to meeting with you on the 24th March.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Maz Turner'. The signature is written in a cursive style with a horizontal line underneath the name.
