

# Production Apprenticeship at St Cuthberts Mill

Haybridge, Wells

## PRODUCTION APPRENTICE

School Leaver +

**Apprenticeship:** Performing Manufacturing Operations (PMO) incorporating an NVQ Level 2

**Start:** September 2020

**Requirements:** GCSE Maths, English, ICT - Grade 4 or above

In connection with Bridgwater College, training is based in the workplace at St Cuthberts Mill, with the Bridgwater College Trainer/Assessor visiting every 6 weeks.

The apprentice will work alongside the current skilled production team manufacturing paper, with a view to moving into a full-time production position at the end of the 2 year apprenticeship. Production operates on a shift pattern, but the apprenticeship will be daytime only.

Would suit candidates interested in a practical hands-on job in a manufacturing environment.

Candidates will be trained to do a highly responsible and vital production job, requiring a high level of detail. The position can be both physically and mentally demanding.

You should have the ability to:

- problem solve
- practically minded
- a good work ethic

## ABOUT THE COMPANY

St Cuthberts Mill is a leading manufacturer of watercolour, printmaking and fine art inkjet paper. Exporting high quality papers globally from the site in Wells. Part of the FILA Group, the biggest supplier of art materials in the world.
