

YEAR 10 WORK EXPERIENCE

12 February 2020

Dear Parents/Carers,

We are very excited to be relaunching work experience for all Year 10 students. This will take place during the week commencing 29th June 2020. Students will not attend school during this week but will instead attend an approved work experience placement.

In preparation, all students will have access to a database provided by the East Somerset Partnership and will be given log in details after half term so they can search for an organisation in the area at which they may wish to work for the week. Students can use the database to find and contact an employer for their placement, or they may prefer to find their own placement.

Students may wish to start enquiring about placement opportunities during half term. If students find their own placement, then contact details should be provided to the school as soon as possible. After half term, PSHE lessons will be used to draft and print letters to employers.

I am really pleased to be offering this valuable opportunity to all Year 10 students and I hope they embrace the chance to find themselves a rewarding and inspiring placement.

If you have any queries, then please do not hesitate to contact me.

Yours sincerely

Mrs S Hooper

Faculty Leader i/c Work Experience
