Dear Parent/Carer

Due to the Government now advising against all overseas education trips for children under 18 until further notice, it is with great regret that I am writing to inform you that our forthcoming trip to Paris will no longer go ahead.

We will now do everything we can to work with the travel company and the insurance company in securing refunds. This may take some time and we would appreciate your patience regarding this.

We will look to run a similar opportunity for students in the future on which your child will be given first refusal of a place.

Many thanks for your continued support.

Your sincerely
