

16 July 2020

Dear Year 11 Student,

I hope that this letter finds you well and that you are looking forward to a summer break after a challenging and unexpected year. It has been lovely to see some of you in school over the past few weeks meeting with members of staff, completing artwork for our corridors and picking up final pieces of work. We all miss you around school and are hoping to see you in the near future.

You should have received a letter from Ms. Lovell recently with information about your Results Day. We are really looking forward to celebrating your hard work on this day and helping you in any way we can to access the next stages of your education.

As we have said throughout the past few months in letters, on social media and through Epraise, we will continue to keep in touch over the coming months. We are still not able to let you know when your Prom will take place but I will write to you again in the autumn with information about our plans for celebrating your exam successes with your parents. As we have said on a number of occasions, you will have the same 'end of school' moments as other year groups. However, they may be delayed a little due to the current global pandemic.

Please remember that we are still available during the summer holiday. Myself and other members of staff will keep an eye on our school email inbox whitstoneinfo@educ.somerset.gov.uk and will be able to respond to any concerns, worries or questions you may have.

I would like to wish you all a safe, relaxing and well-deserved summer break. I look forward to seeing you on the 20th August.

Yours faithfully,

Mr Guy Swallow

Headteacher
